Allergies

We would like to remind parents and carers that they must ensure that the school is informed of any allergies that their children may have. It's also important that parents and carers do not include nuts in their child's packed lunch.

Children's birthdays

Parents and carers need to remember that they can only send in fruit for their child's birthday. Toys and drinks are not allowed.

Vaisakhi special assembly

We would like to inform parents and carers that we will be celebrating Vaisakhi on **Friday 20th April**. Further details of the celebration will be shared with parents and carers next half term.

Half Term

Please note that the school will be closed from **12th February – 16th February**. School will re-open for children on **Monday 19th February**. We hope you have a relaxing break.

Home work for half term

During the half term, it's important that parents and carers read with their children on a daily basis. Additionally all classes will be starting a new half term topic '**Good to be me**' and it's important for parents and carers to discuss this topic with their children. The following is a list of questions that you might like to ask your child:

- What are you good at?
- What are your qualities?
- What are strengths?
- What do you really enjoy at school and at home?
- Which subject areas do you really enjoy studying at school? What is your favourite subject?
- What does your name mean? Why was that name chosen for you?
- What would you like to improve in school next term?

Book fair

From the week commencing **Monday 19th February**, we will be holding a Book Fair. The children can buy books between 3pm and 4pm every day in the small hall. Please take the opportunity to buy books for your child and develop their love for reading.
