Sponsored times tables & Maths Puzzle day

Thank you to parents for supporting our Timetables Sponsorship Challenge and encouraging the children to learn their timetables at home. It was great to see children's enthusiasm for learning timetables and actively participating in mental maths sessions.

The children from Years 2 to 6 had a great opportunity to show case their problem solving, reasoning and logical skills by taking part in the Puzzle Day Activity on 7th February 2019.

Once again, we are truly grateful for the support from parents and carers. We would like to record a very special thank you to Sukhman Dhesi (year 5) and her parents as they went the extra mile and raised a lot of sponsorship money.

School Uniform

You will have received an email from us notifying you of the changes to our uniform service. Tesco School Uniform Embroidery Service will be closing on 12 February 2019. This will be taken over by their current supplier, My Clothing, who will continue to supply our school with the same service. They will still offer great value as well as support for school through their donation scheme. Parents and carers can now purchase Khalsa Primary School uniform from www.myclothing.com, following the same process as before. A leaflet with more information can be collected from the school office.

After-school Clubs

We have some spaces available in some of the spring term after-school clubs. The cost will now be lower, as some weeks have passed! If you would like your child to join one of the after school clubs, please speak to the office staff.

PSD Fun Week

During the half term, Mr Eyre will be running dodgeball and multi-sports fun days on **Tuesday 19th, Wednesday 21st and Thursday 22nd February from 9.00am to 3.00pm**. If you would like your child to attend, please collect and return the application form to the office by Thursday 14th February, with the correct payment.

Healthy habits support learning

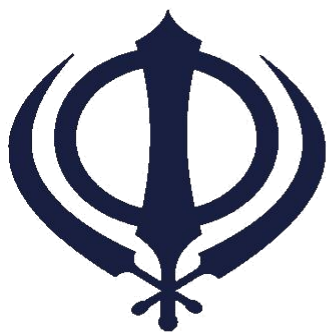

Please make sure that your children go to bed on time and eat healthy meals so that they can really focus on their learning. Children who do not eat a healthy breakfast find it hard to focus on their work. Similarly, children who regularly go to bed late, find it hard to concentrate on their learning.

Safeguarding around the school

Please note that for the health and safety reasons and the safeguarding of our children, parents and carers are not allowed to wander around the school unauthorised. All parents and carers must report to the school office.

Half Term

Please note that the school will be closed from **18th February – 22nd February**. School will re-open children on **Monday 25th February**. We hope you have a relaxing break.
