NEWSLETTER

29th January 2018

Australian Flu

We understand that a small number of children have been diagnosed with the “Australian Flu” symptoms. Since being diagnosed, they have not attended school. Please ensure you visit your GP if your child is showing the following symptoms:

- a sudden fever – a temperature of 38C or above
- aching body
- feeling tired or exhausted
- dry, chesty cough
- sore throat
- headache
- difficulty sleeping
- loss of appetite
- diarrhoea or tummy pain
- nausea and being sick

Behaviour management

We would like to remind parents and carers that we take behaviour issues such as bullying, hitting and pushing, seriously and deal with them in line with the school's behaviour management policy. If your child shares any concerns relating to behaviour, please make an arrangement to talk to the class teacher. It is important that parents refrain from going directly to the other pupil's parents.

Safeguarding around the school

For the safeguarding and health and safety reasons, parents and carers are not allowed to wander around the school. Parents and carers need to see office staff.

Ofsted

On 10th January 2018, the school had a short Ofsted inspection. The school has now received a summary of the inspection, in the form of a letter from the HMI who carried out the inspection. A copy of the letter is available to parents and carers on the school's website. Paper copies of the letter are also available from the school office staff.

Thought of the week

“Ask, and it will be given to you; search, and you will find; knock, and the door will be opened for you.”

Best Attendance

Well done to **Guru Angad Dev Ji Class** for achieving best attendance for week ending **26/01/2018**.
