Grammatical Terms/Word Classes/Features of Sentences

Nouns	
Term	Definition
Noun	A noun is a 'naming' word: a word used for naming an animal, a person, a place or a thing.
Proper noun	This is a noun used to name particular people and places: <i>Jim, Betty, London...</i> – and some 'times': <i>Monday, April, Easter...</i> It always begins with a capital letter.
Common noun	A common noun is a noun that is used to name everyday things: <i>cars, toothbrushes, trees...</i> – and kinds of people: <i>man, woman, child ...</i>
Collective noun	This is a noun that describes a group or collection of people or things: <i>army, bunch, team, swarm...</i>
Abstract noun	An abstract noun describes things that cannot actually be seen, heard, smelt, felt or tasted: <i>sleep, honesty, boredom, freedom, power ...</i>
Adjectives	
Term	Definition
Adjective	An adjective is a 'describing' word: it is a word used to describe (or tell you more about) a noun. <u>Example:</u> The burglar was wearing a black jacket, a furry hat and a large mask over his face. (The words in bold tell us more about the noun that follows) An adjective usually comes before a noun but sometimes it can be separated from its noun and come afterwards (e.g.: Ben looked frightened; the dog was very fierce)
Interrogative ('asking') adjectives	e.g.: What? Which? ... They are used to ask questions about a noun. <u>Example:</u> Which hat do you prefer?
Possessive adjectives	e.g.: my, our, their, his, your ... Possessive adjectives show ownership. <u>Example.:</u> Sue never brushes her hair.

Pronouns	
Term	Definition
Pronoun	Sometimes you refer to a person or a thing not by its actual name, but by another word which stands for it. The word you use to stand for a noun is called a pronoun (which means 'for a noun') We use pronouns so that we do not have to repeat the same nouns over again. Have a look at the following sentence: When Barnaby stroked the cat and listened to the cat purring softly, Barnaby felt calm and peaceful. Compare it with the same sentence where some of the nouns have been replaced by pronouns: When Barnaby stroked the cat and listened to it purring softly, he felt calm and peaceful.
Singular pronouns	Singular pronouns are used to refer to one person or thing. E.g.: <i>I, you, me, he, she, it, you, him, her, mine, yours, his, hers, its</i>
Plural pronouns	Plural pronouns are used to refer to more than one person or thing. E.g.: <i>we, they, us, them, ours, yours, theirs</i>
Other word classes and grammatical terms	
Term	Definition
Prepositions	Prepositions are words which show the relationship of one thing to another. <u>Examples:</u> Tom jumped over the cat. The monkey is in the tree. These words tell you where one thing is in relation to something else. Other examples of prepositions include: <i>up, across, into, past, under, below, above ...</i>
Connectives (conjunctions)	Connectives (conjunctions) join together words, phrases, clauses and sentences. They help us to create compound sentences by joining two main clauses together. E.g.: <u>She went to the shops. She bought a box of chocolates.</u> We can use a conjunction to join these sentences together: <u>She went to the shops and bought a box of chocolates.</u> Other connectives (conjunctions) include: <i>but, as, so, or ...</i>
Subordinating connectives	Subordinating connectives link a main (independent) clause with a subordinate (dependent) clause (a clause which does not make sense on its own). Example: <i>When we got home, we were hungry.</i> We were hungry <i>because</i> we hadn't eaten all day. Other subordinating connectives include: <i>if, while, after, until, before, although...</i>

Tips for good home learning habits:

- Find a quiet place at home to use as a homework area.
- It needs a flat surface, a good light source and the right equipment e.g. pens, pencils, ruler, scissors, glue.
- Be aware of modern teaching methods, e.g. in long division.
- Plan a home learning timetable and agree on when your child will do their home learning.
- Allow your child to have something nutritional to eat before starting on home learning.
- Discuss any home learning tasks with your child and how it connects with what they are studying at school
- Turn off the TV - but you could have music on if they find it helpful.
- Don't give your child the answer in order to get a task finished. Instead, explain how to look up information or find a word in a dictionary.
- Don't let homework become a chore. Keep it fun and make it a special time that you both look forward to. Please encourage your children when completing home learning tasks.
