INDUSTRIAL ACTION – SCHOOL CLOSURES

7th October 2016

Dear Parent / Carer,

As you may already be aware, strike action is planned by NUT and ATL members at Khalsa Primary School. These unions represent both teachers and non-teaching staff.

Industrial action is planned to take place on the following dates:

- Thursday 13th October 2016
- Wednesday 19th October 2016
- Thursday 20th October 2016

This means that the school is LIKELY to be closed to all pupils on those dates.

I will know the position more clearly on Tuesday evening and will confirm any school closure with you on Wednesday 12th October.

I have decided to warn you about the likelihood of the industrial action now in order to give you a chance to make alternative child-care arrangements for those dates.

The decision to close the school and / or send pupils home is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and wellbeing of all pupils.

We know that class / school closures inconvenience parents and carers and so I am writing to give you advance notice of industrial action.

Thank you for your patience and understanding.

Yours Sincerely

Ms. PK Sehmi
