Dear Parents/Carers,

Reading Workshop

This term we are inviting you to take part in your child's learning by attending a guided reading session. The session will start at 8.50 and will last about 15 minutes. It will involve you observing and supporting your child whilst they read a book and answer questions with their teacher.

Through taking an active part in your child's learning you will get a better idea of what is expected of their reading and how you can help at home.

The sessions will all take place during the week starting Monday 1st February. The timetable for each child and parent is as follows. Please let your child's teacher know if you will be attending **by Friday 29th January 2016.**
