A new school year

I am pleased to inform you that the new school year has started off really well and I am sure that it will be a great year. We are determined that all our pupils enjoy being at school and achieve high standards. As a staff, we are continuing to focus on developing our knowledge and skills, with the overall aim of improving teaching and learning. Our staff training days at the start of the term focused on providing more effective support for more able pupils.

Thank you for your support throughout last year. With continued team work, I am sure that we will move closer to becoming an outstanding school.

If there is anything that you would like to discuss with me, please make an appointment with the office staff.
