NEWSLETTER

6th October 2016

Macmillan Cancer Research Coffee Morning

We are pleased to say that this event was a great success and we collected over £300.00. Thank you so much to parents, carers, staff and children for their

After school clubs

The after school clubs have started and it's good to report that all the clubs are very well attended. Please ensure that the children are picked up on time.

A number of parents asked about Zumba classes for parents. If you are interested, please ensure that you write your name on the sheets around the school. Classes for parents will start on Monday 10th October and parents can pay for each session as they go along.

Photographs

The school photographer will be in on Monday 10th October and Wednesday 12th October. On Monday, he will be taking individual photographs and on Wednesday he will be taking class photos. Please make sure that your children are dressed smartly.

Payment for school lunches

It's essential that parents pay for their children's meals, well in advance. Harrisons have informed us that children will not be provided with a school meal, if parents have allowed for a debt to build up.

Beat the Street

Beat the Street is a free, fun, health competition to encourage people to run, walk and cycle as far as possible for six weeks.

Thank you to all our children, parents and staff for taking in this competition. We've already collected lots of points.

To collect even more points and make sure that we come first, please make sure that you take your children for walks along the map line. The children need to use their fob twice within an hour to collect points. We will be taking classes out so that we collect more points and hopefully come first!

Remember we've only got until 2nd November to gather as many points as possible.

Jeans for Genes Day

We managed to collect over £300. Thank you to parents, children and staff for their donations.

Reception open day

The open day will take place on Wednesday 19th October. It's essential that parents with children in the nursery attend the meeting as we will be giving out useful information in relation to Reception intake for September 2017.
