Allergies

We would like to remind parents and carers that they must inform us of any allergies that their children may have. It's also important that parents and carers do not include nuts in their children's packed lunches.

Change of Contact Details

It is essential the school has up to date information about children in the case of an emergency. If there are any changes to your home address or contact details, please notify the school office immediately. It is a mandatory requirement that you provide the school with the correct details for our records. Any change of details thereafter, it is parents' responsibility to contact the school office to update information
