Latest news from Khalsa Primary

We hope and pray that all families and children are keeping in good health during these challenging times. We have been open throughout lockdown and staff have been busy providing support for children of keyworkers, as well as acting as a hub for the wider community. Over the last few weeks we have been getting ready for the return of the children and making sure that the school is safe and ready in line with the government guidelines for stopping the spread of Covid-19. Please keep up to date with our news on the school website and through the emails we have been sending, and remember we are here to answer any queries you may have.

Home learning

It's really important that the children regularly complete the home learning tasks provided through Google Classroom. Staff upload tasks on a very regular basis and provide feedback to the children. Please support your child so that they log in every day and complete the new tasks. If you have any issues accessing Google Classroom, please email us on info@khalsa.ealing.sch.uk, and include your child's name and their year group / class.

Some of the children have been sent a learning pack by post and it is important that parents and carers support their children.

Health and safety rules

The government regularly reviews and revises guidance and advice. The current lockdown rules are as follows:

- Stay Alert
- Control the Virus
- Save Lives

Some lockdown restrictions have been lifted; please click on the following link for more information <https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do/coronavirus-outbreak-faqs-what-you-can-and-cant-do>

Pupils returning to school

We are pleased to inform you that Khalsa Primary has reopened for the following year groups, for 4 days per week (Monday to Thursday), from the following dates:

Year 6

Monday 15th June 8.45am - 2.30pm

Year 1

Tuesday 16th June 9.00am - 2.15pm

Reception

Wednesday 17th June 9.15am - 2.00pm

Key worker provision

Since 23rd March, the school has remained open and we have continued to provide provision for the children of key workers. The children have been able to come to school every day and participated in lots of interesting activities. The provision has been led by teachers and teaching assistants.

Developing good habits

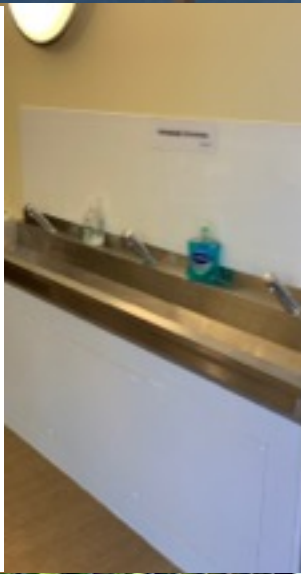

Remember to teach your children, good habits:

- To wash hands very regularly
- To not touch the face with unclean hands
- To sneeze or cough into a tissue
- To follow the 2 metre social distancing rule

We've been busy!

Staff have been getting the school ready for the children's return. There are lots of hygiene stations around the school and we have marked many areas to support the 2 metre social distancing rule. Do remember to visit our website for regular updates.

Thoughts of the week

- **Take time to do what makes your soul happy**
- **There is no greater wealth in this world than Peace of Mind**

Contacting the school

If you have any questions and want to contact us, please email using the school's email address – info@khalsa.ealing.sch.uk

We regularly check the mail box and will do our best to respond to you as soon as possible.
