NEWSLETTER

12th October 2020

COVID-19

Thank you to all parents who are wearing **masks** for drop-off and collection. This is now compulsory on entry to the school grounds.

It is vital that all members of our school community engage with the **NHS Test and Trace** service. Please download and use the app.

Google Classroom

As you are aware, all of our homework is now on Google Classroom, which allows teachers to set work, mark work and communicate with children. If the school should close due to lockdown or partially close for any Covid-19 related issues, all lessons will be delivered through Google Classroom. Therefore, it is vital that you and your child are familiar with Google Classroom and use it regularly. You can use Google Classroom on a phone, tablet or PC/laptop. All children have been sent details to log in and so far over 90% of children have done so. If you have any issues with Google Classroom, please make sure you see Mr. Formella before or after school.

Flu vaccinations (Reception to Year 6)

Flu vaccinations will take place in school on 4th November 2020. We will be sending parents a letter with further information. You do not need to do anything at this stage.

Donations required

We require donations of boxes of tissues and kitchen roll. If you can help, please bring these to school and give to the member of staff on duty. Thank you to parents who have already made some donations.

Parking

If you do travel to school by car, please be respectful of our neighbours when parking and turning your vehicle. We are still having a large number of complaints about parents' parking.

Year 1 Audiology Tests

We have now emailed all Year 1 parents with further information about the Audiology tests. If parents require any more details, they should contact the Children's Audiology Service directly on 020 8825 6281.

Queuing outside school

We are aware that, due to our drop-off and collection procedures, parents now need to queue outside the school gates. In order to maintain social distancing, and to show respect for all of our families, it is vital that everyone waits their turn in a polite and patient manner. Queue jumping is not permitted.

Felix Project Fundraising

As you may be aware, we receive a weekly donation of food from the Felix Project Charity. This is an extremely worthwhile cause which redirects surplus food to families in need. In order to support them even further during these challenging times, we will be raising money as part of their **Go Green For Felix** fundraising initiative. On 16th October, pupils can wear an item of green clothing alongside their normal school uniform in exchange for a donation of money (amount of your choice).
