Closing 'bubbles' due to a case of COVID-19

As you are aware, if there is a confirmed case of COVID-19 within school, a class or year group 'bubble' may need to be closed. These decisions are taken following the advice of Public Health England. Any affected pupils will be able to access remote learning, via Google Classroom.

Parking

May we again remind all parents that if you are driving to school you must park and turn your vehicle in a safe and legal way? We are still receiving a large number of complaints from local residents about inconsiderate and illegal driving and parking. Police officers and parking wardens are frequently patrolling and giving out tickets.

Reception Admissions

If your child will be starting Reception next year, please make sure that you apply for a place. The deadline for applications is 15th January 2021. To secure a place for your child, you must make sure that your application is in on time.
