WAHEGURU JI KA KHALSA, WAHEGURU JI KE FATEH

COVID-19 Update

Schools have now fully re-opened, but there are still a number of other restrictions in place.

Make sure that you are following all of the rules.

Do not put yourself or others at risk.

Parents' meetings – 23rd and 25th March

You should, by now, have received your time slot for parents' meetings. The link for you to access the meeting will be sent to you on your child's Google Classroom. It is vital that you are on time for this meeting. If you log in late, your slot will not be rearranged.

Easter Celebrations

As you know, it is nearly the Christian festival of Easter. Pupils will be learning all about the story of Easter, as well as celebrating by making cards and taking part in a chocolate egg hunt!

Parents' driving and parking

As we have communicated previously, the issue of dangerous and illegal driving and parking is still continuing. We have received numerous complaints from residents and have been in touch with Ealing council, as well as the police, about this. If you need to drive to school, please find a safe, legal place to park your vehicle.

Clocks go forward on Saturday 28th March

Please remember to change the time on all your clocks so that children are on time on Monday morning.

COVID-19 testing

Remember that asymptomatic testing ('Lateral Flow Tests') is now available for all adults who live in a household with primary school pupils. Tests can be ordered online or from a local testing centre.

National lockdown status

Please ensure that you and your family are aware of the dates for the relaxing of COVID restrictions (the government's 'Roadmap out of Lockdown'). It is vital that everyone continues to follow the rules. Please see the website for further details.

Term time holidays

Parents are reminded that they must not take their children on holiday during the school term. Research has shown that children never catch up on missed learning. Term time holidays will be always unauthorised and parents risk losing their child's place at the school. Additionally, during the current COVID 19 pandemic, families will have to quarantine when they return, which means that the children will miss even more learning time.
