COVID-19 Update

Schools have now fully re-opened, but there are still a number of other restrictions in place.

Make sure that you are following all of the rules.

Do not put yourself or others at risk.

Full re-opening of schools

We are delighted that all pupils have now returned to school. It has been great to see everyone in person after this most recent period of national lockdown. Thank you to all of our families for your hard work and for helping and supporting your children with remote learning.

COVID-19 – A reminder

Please remember that if anyone in your household has any of the symptoms of COVID-19, the whole family must self-isolate and the affected person must book a test.

If anyone in your household has any symptoms, you must not send your child into school.

The main symptoms of coronavirus (COVID-19) are:

- A high temperature
- A new, continuous cough
- A loss or change to your sense of smell or taste

School Clubs

For the remainder of this term, we will not be running any before or after school clubs. This will be reviewed shortly and we hope to offer some clubs during the summer term.

Children's Medication

Please ensure that you give the school office, any medication (asthma pump, epipen, etc.) that your child needs to take during school time. The medication must be prescribed by a doctor and not out of date. We cannot give a child any medication which is out of date.

COVID-19 testing for households and bubbles of school pupils

As we informed parents last week, households, childcare and support bubbles of primary school pupils will now have regular access to a twice-weekly 'lateral flow' COVID-19 tests. This allows for COVID testing where the adult does not have any COVID symptoms. These can be accessed in the following ways:

- **Through your employer (if they provide them)**
- **Order a home kit**

Faith and prayer are invisible but they make impossible things possible.

Train your mind and heart to see the good in everything. There is always something to be grateful for.
