## COVID-19

We are currently in a National Lockdown. Make sure that you are following all of the rules.

<https://www.gov.uk/guidance/national-lockdown-stay-at-home>

Develop a strong mind and you will lead a strong life.

Be very

Each moment is precious

It is absolutely vital that everyone follows the rules. Do not put yourself or others at risk.

### Continuing Professional Development

Did you know that we are still providing teachers with ongoing training and development, even during this lockdown? This term, we have received some excellent training on Assessment, Writing, Maths and History. The school continues to run as normal, and we are doing everything we can to give pupils the best possible experience.

### Assemblies

Our virtual assemblies have been very successful and well-attended. If you have not yet logged in, please try and attend this week. It is a lovely opportunity to hear the Hukumnama (order of the day) and participate in collective worship as a school community.

KS2 – Monday, Wednesday and Friday

EYFS and KS1 – Tuesday and Thursday

### Rewards and certificates

We are pleased to be introducing some additional rewards from the class teachers. One child per week will be identified as a Star of the Week. These names will be announced during assemblies on Thursday and Friday.

### Half term break

We break up for half term on Friday 12<sup>th</sup> February and return on Monday 22<sup>nd</sup> February. Take care, stay safe and have a peaceful holiday.

### Twitter

Please do follow us on Twitter if you can. We post regular updates about children's learning and give other important announcements for parents.

### Remote learning tip of the week

We realise that remote learning can present challenges and difficulties to all members of the family. Here, we will share our ideas and suggestions for making the experience as positive for everyone as possible.

#### Tip number 1:

Plan, and stick to, a daily schedule. Now, more than ever, children need a routine for their own well-being.

Make sure that children get up, have breakfast and get ready for school at the same time each day.
