## **End of term trips/activities**

Despite restrictions and additional planning requirements, our teachers have made sure that all of the children have enjoyed enrichment activities, experiences and trips to mark the end of the year. Older pupils have visited Chessington, Osterley Park, Norwood Green Park and taken part in local walks. Other year groups have seen a magic show, had a visit from an author and enjoyed numerous other fun experiences. Thank you to all of the teachers for organising these activities.

## **International Travel**

We would like to remind parents in the strongest possible terms to avoid international travel during the current COVID-19 situation. Countries are graded as Green, Amber or Red according to the risk attached to travelling there and these categories are updated regularly.

According to the most recent guidance, people should completely avoid travelling to amber or red list countries in order to prevent new COVID variants from entering the UK.

## **Communication – checking texts/emails regarding start of term**

It is vital that parents and carers regularly check their text messages and emails so that we can share any relevant information before the start of school in September. If you need to update your contact details, please call or email the school office.

## **COVID – Communication**

If a pupil, or anyone in your household tests positive for COVID-19 during the week after school finishes, you must email the school immediately so that we can carry out the necessary track and trace procedures.

If a pupil, or anyone in your household tests positive for COVID-19 prior to returning to school in September, you must email the school so that we can advise you when the pupil can come into school.

## **Summer Holidays**

The last day of term is **Friday 23<sup>rd</sup> July** and school will finish at the normal time of 3.20pm. Please remember that the new school term starts on **Friday 3<sup>rd</sup> September for Years 1, 2, 3, 4, 5 & 6**.
