Curriculum and assessment

How will my child be assessed?

How we track progress and attainment at Khalsa:

We encourage children to assess their own learning with feedback from teachers.

- ❖ Every term, the teachers and head teacher meet formally to discuss pupils progress.
- ❖ For maths, writing and reading, pupils are assessed three times a year. Part of this assessment may be a test which is used for internal purposes only.

Curriculum and assessment

How will my child be assessed?

There are National assessments that are scheduled for Year 2.
Phonics in June (Only for children who didn't pass in Year 1)
SATs – May 2022 (TBC)

We will be doing continual assessments throughout the year, through marking ,end of topic and end of term tests.

Curriculum and assessment

How will I know how my child is doing?

- ❖ Parents and guardians will receive a written report at the end of the year. In it, you will receive information about whether your child has made sufficient **progress** in Reading, Writing and Maths as well as if their **attainment** is at the appropriate level for their age.
- ❖ Throughout the year, you will have two opportunities to meet with staff regarding your children. At these meetings, staff will highlight areas of strength, next steps and suggestions for you to support their learning. It is important you attend these meetings.

Supporting your child at home

What homework will my child receive?

- All home learning will happen through Google Classroom
- Use through phone, tablet or computer
- Your child will receive spellings, maths, reading and writing
- Any issues, email the office or speak to Mr Formella
