What we do:

We provide a universal speech and language therapy service to families of children over 5 in Ealing. **Children do not need a referral to access our service**. We provide:

- Workshops for parents
- Training for practitioners
- Student workshops on Speech and Language Therapy as a career
- Information and advice via social media platforms and an advice line service

Did you know?

10% of children have **long-term** communication needs - that's **2-3** children in every classroom

Good spoken language skills are **strong predictors** of later **academic success**.

Relationships: Language and social interaction play a key role in all children's social development.
