The King's Coronation

As you will be aware, it is the King's Coronation on Saturday 6th May and there are lots of community events happening on that day. For information about events that are happening in your area, please see the local authority websites.

In Norwood Green, there is a community picnic on Sunday 7th May, which everyone in the community is invited to.

School celebrations

We will be marking the coronation in school on Friday 5th with a special lunch and pupils will take part in special activities. On that day, children can wear their own clothes, with a colour scheme of red, white and blue (please send your child in with £1).

Summer uniform

The weather is finally brightening up and parents may want to send children to school in their summer uniform. Please ensure that you check the uniform list before buying any new items of clothing.

Punctuality

The number of pupils arriving at school and being collected from school late continues to be a serious issue. Being late is extremely disruptive to staff and children. Parents should make every effort to bring children to school on time (8.35am) and collect them on time (3.20pm). Parents who are persistently late may be charged for this additional childcare. If you cannot collect your child on time, please consider sending them to an after school club, or arranging for someone else to collect them.

Week beginning 8th May – KS2 SATs week

Next week, year 6 pupils across the country will be sitting SATs, which are tests for the end of KS2. It is vital that all year 6 pupils are in school every day, on time. For this week only, we will be inviting all year 6 pupils to start school at 8.00am, so that they can relax with their teachers in good time before the tests start each morning. If parents wish to, they can send their child into school with a small breakfast snack to eat during this time, such as a cereal bar or a piece of fruit).

Times tables sponsored challenge

We would like to thank all family members who sponsored a child to take part in the times tables challenge. This was a valuable opportunity for children to spend additional time practising their times tables, and also a chance to raise much-needed funds for school. Thanks to your generosity, we have raised an amazing £197.92. Thank you!
