Thank you for your very generous donations – we are proud to announce that we have raised £1007.77 for this amazing charity.

Year Group Parents' Meetings

We had excellent attendance at our year group parents' meetings last week. If you were unable to come, you can see the information on the PowerPoint on your child's Google Classroom and the website. If you have any questions about your child's learning, or classroom routines, please speak to their class teacher.

Parents' information meetings

Our parents' information meetings begin this week. The aim of these meetings is to give information on a range of key topics, and to give parents the chance to ask any questions. This term, the meetings will be as follows:

4th October -Home Learning

11th October -Promoting good behaviour & attitudes

At this week's meeting, we will share information about Google Classroom, Bug Club and Mathletics, and give tips to parents about how best to help children with their learning. This meeting is open to all parents: please attend if you can.

Healthy Eating and Food Policy

We would like to remind parents that all food brought into school must be healthy. Lunches and snacks should not contain high levels of sugar, fat or salt. For break times or after-school clubs, the only snacks that are allowed are fruit or vegetables / salad.

No items that contain nuts may be brought into school.

Secondary School Applications

Parents of year 6 pupils need to apply for a secondary school place by the end of October. Please go to the website of the local authority where you live to complete the application.

Tips for parents

Talk to your child every day about what they have done at school. Ask them about their lessons and about other aspects of their day.

You can find information about what your child is learning on our website:

British Values Assembly Theme: Mutual Respect and Tolerance

Last week, pupils focused on the theme of mutual respect and tolerance. They learned about key differences and similarities between religions and discussed the importance of respecting those of other faiths or no faith. Parents can help by discussing this at home or watching these short videos:
