

**We are pleased to be able to share with you the curriculum content which your child will cover this term.
Please get in touch if you have any questions!**

English – Reading

This term, we are reading the novel: Demon Headmaster by Gillian Cross

In reading lessons, children will continue to develop their skills with retrieval and inference. They will read a variety of fiction, non-fiction and poetry texts.

English – Writing

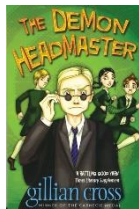

Writing to entertain – we will be writing a poem based on our personal experiences.

Writing to inform – children will create a plot outline for their own suspenseful story, using elements inspired by The Demon Headmaster but making it unique.

Grammar

We will continue to build on and expand upon the children's knowledge of grammar, looking especially this term at:

- **Metaphors**
- **Personification**

Spellings using Homophones: Homophones and other words that are often confused.

Mathematics

This half term we will cover the following topics:

- Fractions
- Multiplication and Division
- Decimals Percentages

Please support your child by completing set homework and logging into Mathletics each week.

Our calculation policies can help you to understand the methods your child has been taught. You can find these in the Mathematics section of our school website.

Science – What effects do forces have on objects?

We will be learning about the different types of forces and how they affect the movement of objects.

Talk to your child each week about what they have learned. BBC Bitesize has good videos and questions to support home learning. We will post an investigation on Google Classroom that you could try at home.

Punjabi – Pupils will have a Punjabi lesson every week which is taught by a specialist teacher. Please help them to learn more by speaking, reading and Punjabi at home if possible.

Physical Education – Monday/Tuesday mornings

This term, pupils will focus on Handball and Fitness. Please ensure that they have the correct kit with them every week.

Sikh Studies – Who were Maharaja Ranjit Singh Ji & Duleep Singh?

By the end of this term, children will be able to explain the importance, key messages, and legacies of Maharaja Ranjit Singh Ji and Maharaja Duleep Singh Ji.

History – How did the Industrial Revolution change Britain and the World?

They will learn the following:

- Learning about the Industrial Revolution.
- Exploring how it changed lives.
- Discovering its impact on work and technology.

Parents can help by discussing any facts they know about South America. You can use the internet to watch videos and look through pictures of South America to discuss what it looks like.

Religious Education- What does it mean to be a Muslim?

Children will learn that Muslims believe in one God, Allah, and follow the five Pillars of Islam. They will visit a mosque and create a poster to showcase their pillars.

Computing - Information Technology – What are drawing programs and how do we use them?

Children will use drawing programs to create digital designs, learning tools like pens, shapes, resizing, cropping and share their digital creations.

PSHE – Keeping Safe, `Charity & Our Society

We will be learning the following:

- How to stay safe.
- The importance of charity.
- Our role in society.

DT – How can we make a bridge with a functional moving part?

Children will design and build a model bridge with moving parts, using materials like string and cardboard, and explore mechanisms like pulley to make it functional.

Ideas for parents to support learning in school

- Include your child in family sewa
- Visit the Science museum
- Research Maharaja Duleep Singh
- Talk to children about how to keep safe
- Give / help a charity
