## World Book Day - Friday 6<sup>th</sup> March

We are celebrating World Book Day on Friday 6<sup>th</sup> March; your child can come to school dressed as their favourite book character and bring in a £1.00 donation. At school in KS2, we will be showcasing our reading skills by reading to each class throughout the day via a live zoom link. In KS1, an author will be joining us online via a zoom link. Please do join in and dress up for World Book Day on Friday 6<sup>th</sup> March. Thank you.

## Achievement assembly

Well done to all the children who received an achievement certificate in assembly for outstanding achievement in the classroom and for excelling in all areas. Classes with high attendance received a trophy.

## Uniform

School uniform is an important part of our shared identity and pupils are proud to wear it. Please ensure that your child attends school every day in full school uniform, including a navy blue patka and black shoes. On PE days, PE kit must be brought to school in a bag so that pupils can get changed. This includes trainers, which must not be worn at any other time of the day.

## Sponsored Spelling Challenge 2026

This term, we will be holding a sponsored spelling challenge. Pupils across EYFS, KS1 and KS2 will all take part in the sponsored spell and results will be sent home after. This challenge started on **Monday 23<sup>rd</sup> February until Friday 13<sup>th</sup> March.**

The aim of this challenge is to promote the importance of spelling across the school, encourage children to work towards their goals and promote their knowledge of words in line with their year group expectations.

We will also be raising money for school funds. Pupils will have a number of words to learn which they will be tested on in class after the half term. We ask that parents support your children in learning, reciting and understanding the words ready for the challenge in school.

During the next few weeks, children should ask parents, other family members and friends to sponsor them for the challenge; sponsors can choose to give a fixed amount for the challenge OR an amount per spelling completed.

## Building Dream City Models - Maths Project

A huge well done to all the pupils who took part in our 'Building Dream City Models' - maths project. It was fantastic to hear of children working together with their families to design and build their very own dream cities. You all worked hard, showing wonderful creativity, imagination and impressive maths skills to carefully plan every detail of your cities. We are so proud of your efforts, imagination and the enthusiasm you brought to this exciting project. Well done, everyone.

## Parents' Maths support meeting dates:

KS1 – 17<sup>th</sup> March 2026 at 8:45am

KS2 – 19<sup>th</sup> March 2026 at 8:45am

## World Maths Day - 25<sup>th</sup> March

To celebrate World Maths Day, all pupils are invited to take part in the live Mathletics event. This global challenge runs for 24 hours, giving children the chance to compete in fun maths activities with pupils from around the world from similar year groups.

All you need to do is log in using your usual Mathletics username and password and join the live challenges on the day. It is a fantastic opportunity to practice your mathematics skills, earn points for our school, and be part of a worldwide celebration of learning. We look forward to seeing as many pupils as possible taking part - let us show the world what amazing mathematicians we are at Khalsa Primary School.
