**Headteacher - Ms. P. K. Sehmi**

## Welcome back

It is lovely to see all of our pupils and families back at school. We hope you had a safe and relaxing break.

## London Smagam

Well done to all the pupils who worked hard to learn and recite Sukhmani Sahib Paath. A special thank you to all the parents and carers for their full support. The London Smagam provides us precious opportunities to enjoy listening to Kirtan and Katha and spend valuable time with Sangat. Thank you to all the Sewadars. Thank you, Waheguru Ji.

## Achievement assembly

Well done to all the children who received an achievement certificate in assembly for outstanding achievement in the classroom and for excelling in all areas. Classes with high attendance received a trophy.

## Summer assessments

If your child is taking part, or has taken part in summer assessments, you will receive the outcomes of these on their end-of-year report. Please do not ask their teacher for the results as they will be unable to give them to you before this.

## Year 1 Phonics Screening Check

Next week, all year 1 pupils in the country will be taking a Phonics Screening Check. We have prepared the children very well and they will be taking part in the check, with their own class teacher in calm and familiar circumstances. If any parent of a year 1 child would like further information about this check, they can speak to their child's class teacher.

## Year 4 Multiplication Tables Check

Next week, pupils in year 4 will be sitting a Multiplication Tables Check. They have all been well prepared for this by their class teachers and teaching assistants. Please support the children through encouragement and positive feedback.

## Active Travel – Walk to School Week

Well done to the children who walked, cycled or came to school on their scooter during the Walk to School Week.

## This Week in Pictures

### Year 5 Trip to Sky Studios

Year 5 had an unforgettable trip to the Sky Studios, where they enjoyed an exciting behind-the-scenes tour of the studios and discovered how television and film productions are created. During the visit, the children worked collaboratively in teams to plan, film and edit their own 90-second fiction videos, taking on roles such as directors, presenters and camera operators. It was a fantastic hands-on experience that sparked creativity, teamwork and confidence - we were incredibly proud of their enthusiasm and imaginative ideas throughout the day.

### Nursery Trip to Odds Farm

Nursery had an amazing day at Odds Farm Park. The children enjoyed bottle-feeding the baby goats, taking a fun tractor ride around the farm, and burning off energy in the soft play area. There were lots of smiles, excitement, and opportunities to learn about farm animals. A fantastic day was had by all.
